Phonics Screen Check

Children will be tested on their phonics knowledge. They will have 40 words to read of which some are real and some fake (known as 'alien' words) to check their application of known phonemes. Most years, 32 correct equates to 'meeting the end of Y1 expectations'.

They will take this test 1:1 with Y1 staff in June. Results of this test will be available afterwards at a parents' request. The data will be used by Y2 to know which children may require interventions and extra support.

Please support your child by practising the sounds which Y1 staff recommend. For more information visit: [Letters and Sounds - A complete Phonics resource to support children \(littlewandlelettersandsounds.org.uk\)](https://littlewandlelettersandsounds.org.uk)
